SUMMARY

Highly skilled Data Engineer with 2 years of experience in leading the design, implementation, and maintenance of complex software systems. Expert in DataBricks, PySpark, Python, and SQL with a strong background in relational data modeling and cloud systems. Proficient in workflow orchestration tools and notebook environments. Demonstrates excellent analytical, problem-solving, and communication skills.

KEY SKILLS

Programing and Scripting	Python, C++, Java
Big Data Technologies	Hadoop, Spark, Kafka
Databases	SQL, Hive
Data Pipeline Automation	Experience with Jenkins.
Frameworks	Python Web Frameworks, ReactJS
Cloud Platform	Amazon Web Services (AWS)
Other Infrastructure	Git as Version Control

PROFESSIONAL EXPERIENCE

Data Engineer — Aug 2022 - Present
LTIMindtree — *Bangalore, KA*

- Led the design, development, and maintenance of complex data pipelines and architectures using DataBricks, PySpark, and SQL, enhancing performance and scalability.
- Collaborated with cross-functional teams to define data requirements and deliver optimal data solutions.
- Utilized workflow orchestration tool Jenkins to streamline data processing tasks and managed version control and infrastructure deployment using Git.
- Implemented cloud-based solutions on AWS, optimizing resource efficiency and end-user experience.

MERN Intern — Feb 2022 - May 2022
Mindtree — *Bangalore, KA*

- Gained hands-on experience with the MERN (MongoDB, Express.js, React.js, Node.js) stack.
- Collaborated with senior developers to build and maintain web applications.
- Implemented responsive and dynamic user interfaces using React.js.

PROJECTS

Sybase Exit Project- Citi Bank. Improved efficiency in the ETL process, resulting in a 20% reduction in processing time. Utilized Big Data technologies, including Apache Hadoop, Spark, and Hive, to handle large volumes of financial data efficiently.

EDUCATION

Bachelor of Engineering, Sapthagiri College of Engineering — 2018 - 2022
Information Science and Engineering

CERTIFICATION

- Databricks Certified Associate Developer for Apache Spark 3.0.
- Python for beginners - Learn all the basics of Python.
